Conference Theme 2019:

Behold! Your Light Has Come!

Come and learn God's light-giving strategies for nurturing a Christian Identity that inspires the outside world!

Keynote Text: Arise, shine, for your light has come, and the glory of the LORD has risen upon you. Isa 60:1 ESV

Prepare for a prosperous new school year where you will learn new ways to Worship God as your Creator; Obey Christ as your Redeemer; Treasure yourself, your family and the church as His Body; Seek Your Heavenly Father as your Provider for all of your Christian Education needs; and Look to the Holy Spirit as the Revealer of truth and knowledge for all of life!

These are the elements of Christian Championship Education at home!

For over 30 Years, the WCFS *Family Leadership Conference* has been helping families *Treasure God's Design for the Family*®. We use every legal educational requirement for LIFE-GIVING encouragement for your family. This year's conference will focus on developing a biblical self-identity based upon who God made you to be so that your life will realize the greatest success to God's greatest glory. We will emphasize how a proper self-identity as a Christian will equip your child to shine brightly forth in the face of great adversity. In a larger way, we hope to encourage your participation in safe biblical communities, cast vision for meaningful personal accountability, and encourage obedience and surrender to God in your personal life and in your unique family circumstances!

Conference Mission: To cultivate practical, scripture-based, safe educational programs as a foundation for personal faith in Jesus Christ and spiritual confidence for developing life skills and problem solving in students, parents and the larger church community.

Conference Vision: To see students and parents energetically embracing hardship with confident worship of God in everyday family life, sharing in a community of like-minded believers (preferably in one's own local church).

Conference Goals: *To inspire faith in God, our Creator, Sustainer, Redeemer and Revealer; to promote family unity; and to develop mature young adults with sincere personal faith, godly character, and personal academic excellence in the context of spiritual safety at home, in community and by vocation in the world.*

Appearance & Behavior

We desire to have an enjoyable environment for all who attend the conference, and ask you to help us by abiding the following guidelines. **Dress/Appearance**—Simply stated, please dress MODESTLY & CONSERVATIVELY, in a way that honors God, you and others. Modest highlights your 'face' not your 'form.' Conservative highlights your 'face' not your 'fashion.' **Behavior**—At all times student and family behavior should be edifying and respectful to the Lord, parents and school authorities. In particular, students are to be under the direct supervision of an appropriate adult authority at all times, no exceptions.
